**Subject:** Draft PCB Cleanup Approval for Former SW Marine Site  
**Attachments:** SW Marine draft approval.doc

Hi Paul,

Thanks for the phone update this afternoon. As I mentioned, we have drafted conditions for Approval for the PCB remedial actions at the former Southwest Marine Site. I've attached that document to this email for your review. In sending the document in draft form, this is an opportunity for Port of LA/SGI to provide any questions/comments before it is finalized. The final version of this document will supersede the email sent on September 30.

I look forward to speaking with you soon.

Thanks,  
Nathan
